

CURRICULUM VITAE
EMY EZURA A. JALIL

School of Technology Management and Logistics
College of Business
University of Utara Malaysia

EDUCATION

- PhD Management July 2017, University of Hull, United Kingdom
Topic: *Sustainability via Reverse Logistics: An Examination of Symbiosis Effect between Recycling System and Household Behaviour*
- Master in Logistics Management May 2004, the University of Sydney, Australia
- B.S. Business May 1998 (Cum Laude), Oklahoma City University, USA

RESEARCH GRANTS

Completed Projects

- Sustainability via Reverse Logistics: An Examination of Symbiosis Effect between Recycling System and Household Behaviour, Malaysia Ministry of Higher Education Grant: 2011-2014 (Lead Researcher)
- Reverse Logistics and the Perception on Recycled Product, Faculty of Business Grant: 2005-2006 (Lead Researcher)
- Youth's Perception and Outreach Measures towards Nation-Building and 1Malaysia Concept in UK, Malaysia Ministry of Youth and Sports Grant): December 2012 – June 2013 (Co-Investigator)

2016 Projects (2016-2019) - Lead Researcher

- An investigation of the Symbiotic Relation in understanding Sustainable Initiative Among Householders
- Acquisition of a Talent Pool: AK Venture Story

CURRENT POSITION

- Director of TESCE (Technology and Supply Chain Excellence Institute)
- Associate Fellow DMI (Disaster Management Institute)
- Chief of Managing Director Journal of Technology and Operations Management (JTOM)
- Lecturer of Logistics and Transport Management, School of Technology Management and Logistics (STML), University Of Utara Malaysia, 2004 – current
- Advisor of UNESCO Club UUM

Awards

- 2017 GradCIWM from Chartered Institution of Wastes Management (CIWM UK)
- 2016 CMILT from The Chartered Institute of Logistics and Transport (CILT UK)
- 2015 MLogM from The Society Of Logisticians Malaysia

- James Sumner Award 2013 CIWM: worth GBP 1000 for current research work on household recycling behaviour. The prize gift for Conference attendance in Ancona, Italy (12-14 May 2014)
- Essay Finalist 2012: the annual Coubertin Olympic Awards student essay competition, organized by the International Pierre de Coubertin Committee (CIPC) in partnership with the Institute of Business Ethics (IBE) held in the Purcell Room in the South Bank Centre in the presence of HRH the Princess Royal, Patron of the awards.
- Excellent Service Award, University of Utara Malaysia, 2005, National Level

Membership of Professional Bodies and Learned Societies

- The Chartered Institute of Logistics and Transport (UK) : member, 2011 – present
- Chartered Institution of Wastes Management (CIWM): member, 2012 - present
- Muslims in Britain Research Network Group (MBRN) : member, 2012 - present
- The British Association for Islamic Studies (BRAIS) : member, 2013 - present
- Institute of Strategic and International Studies (ISIS): member, 2013 - 2014

INVITED PRESENTATIONS

Speaker for Logistics program promotion tour by Higher Education Ministry, 2007

CONFERENCES & PUBLICATIONS

- Circular Economy: Innovative thinking for a sustainable future – University of York, (Delegate), 2011
- Newton's Apple Seminar 2012, University Of Hull - (Delegate)
- Sustainability in Transport Research – University of Newcastle, (Delegate), 2012
- 3rd Reverse Logistics Forum, CILT, 2012 Tesco National Return Centre, Birmingham - (Delegate)
- Sustainable Supply Chains - Rethink and Redesign – University of Huddersfield, (Delegate), 2013
- Can "Green" Power Offer Land, Sea and Air Transport Realistic Alternatives to Conventional Fossil Fuel? – Sheffield Hallam University, (Delegate), 2013
- Early Career Academics' Research Development Programme – University of Hull, (Presenter), 2013
- NUS Student Sections Conferences – Milton Keynes, (Delegate), 2013
- Logistics Research Network Annual Conference – Birmingham, (Presenter), 2013. **Title: Reverse Logistics from The End Of Pipe: Interactions Between Recycling Systems And Householders (co-author)**
- Postgraduate Interdisciplinary Research Series 2013-14 - University of Hull, (Presenter), 2014 - **Title: Using Mixed method in multidisciplinary study**
- NUS Student Sections Conferences – Milton Keynes, (Delegate), 2014
- Inaugural Conference of the British Association for Islamic Studies: Showcasing Islamic Studies in the UK – Edinburgh (Presenter), 2014. **Title: Halal Compliance within Food Logistics (UK perspective)**

- 7th International Conference on Waste Management and the Environment, Ancona, Italy (Presenter), 2014. **Title: Investigating household recycling behaviour through the interactions between household personal and situational factors (co-author)**
- CIWM Annual Conference - London, (Student Delegate), 2014
- 19th International Symposium on Logistics 2014 - Ho Chi Minh City, Vietnam, **Title: A 'Symbiosis Effect' Perspective to Understand Reverse Logistics and Household Recycling Waste Systems**
- 9th Annual London Business Research Conference 2014 – Imperial College, London, UK – **Title: A Multidisciplinary Approach in Understanding Reverse Logistics Through "Symbiosis Effect" Perspective: The Case of Household Recycling Waste System in The UK**
- International Conference on Advances in Environment, Agriculture & Medical Sciences (ICAEAM'14) – Kuala Lumpur, Malaysia – **Title: Understanding the Household Waste Management from a 'Symbiosis Effect' Perspective**
- International Conference on Postgraduate Research 2014 (ICPR 2014) – Kuala Lumpur, Malaysia – **Title: Mixed Methodology: the Shift of Paradigm in Understanding Fragmented Views of Households Recycling Behaviour**
- Asia International Conference 2015 – Kuala Lumpur - **Title: A Symbiosis Framework in Understanding Reverse Logistics in Solid Waste Management**
- The Asia Pacific Conference on Business and Social Sciences 2015 – Kuala Lumpur – **Title: Reverse Logistics and the Household Recycling Waste Management**
- 1st Asia Pacific Conference on Contemporary Research – Kuala Lumpur - **Title: Reverse Logistics in Household Recycling Waste System**
- The 11th Malaysian National Economic Conference 2016 (PERKEM 2016) – Kuala Lumpur – **Title: Putting Malaysian Rubbish Away: Lesson Learnt from Britons**

- 7th International Conference on Operations and Supply Chain Management 2016 - **Title: *Pursuing Sustainability via Reverse Logistics: The Symbiosis Effect Between The Local Authorities And Householders***

Professional Trainings

Participant

- Induction Programme for Academic Staff: 2005 - Malaysia
- Research Methodology Workshop: 2006 - Malaysia
- Talk : Principle and Philosophy National Integrity (PIN) : 2006 - Malaysia
- Professionalism Improvement Workshop: 2006- Malaysia
- Workshop on Online Quiz Development : 2006- Malaysia
- Workshop on Website Builder: 2007- Malaysia
- Workshop on Curriculum Review: 2007- Malaysia
- Seminar Japanese Management and Working Culture: (Participant), 2007- Malaysia
- Forum Effective Teaching and Learning: 2007- Malaysia
- SPSS Workshop: (Participant), 2010- Malaysia
- Workshop: Hypothesis Testing - 2011 – HUBs, University of Hull, UK
- RDI Workshop For Early-Career Researchers, 2012, University Of Leeds, UK
- Software Planning Seminar, (Participant), 2012 – Birmingham University, UK
- Workshop on Action Research (NARTI): Knowing by Detecting and Changing Organizational Practices, (Participant), 2014 – Leeds University, UK

PROFESSIONAL SERVICE

Program Reviewer

Diploma in Logistics Management, Han Chiang College, Penang, Malaysia (2007-2008)

Diploma in Logistics Management and SCM, Seberang Perai Polytechnic, Penang, Malaysia (2007-2009)

College of Business (COB) Service

BBA Logistics and Transport Program Development Committee, 2002- 2004

Academic and Examination Committee, 2005-2006

Research, Consultation and Internationalization Committee, 2005-2008

- Liaison coordinator for COB international engagement with
 - BEM - Bordeaux Management School (Now KEDGE BUSINESS SCHOOL), Bordeaux, France 2008
 - Centre for Transport Studies, KTH Royal Institute of Technology, Stockholm, Sweden 2008
 - Centre for Maritime Economics and Logistics (MEL), Erasmus University Rotterdam 2008

Accreditation Committee, 2005-2006

Recruitment Committee, Logistics Lecturer, 2006 - 2007

Student Support Services, Facilitator, 2009 - 2010

Logistics Student Association Advisor, 2005 – 2009

Departmental Service

Program Leader for BBA Logistics and Transport, 2006 – 2009

Advisor for Student Residential, 2005-2006

Head of Student Residential, 2006-2008

Advisory Board for Student Discipline and Misconduct, 2006 - 2008

Student Lead Programs

- Lead Advisor: A session with **Tun Mahathir Mohamad**: *the Founding Father of Modernization of Malaysia* (Malaysian 4th Prime Minister) 2007.
- Lead Advisor: Motivational Talk from Malaysian **first Cosmonaut** with Datuk Dr Sheikh Muszaphar Shukor 2008.
- Lead Advisor: Charity Gala with **Her Highness Tunku Intan Safinaz** (The Princess of Kedah) and Datuk Dr Sheikh Muszaphar Shukor

Current Affiliation and Involvement

- **Chair of Postgraduate Association**, Hull University Union, University of Hull, Term 2013/14
- Student Representative: **EQUIS Reaccreditation** Hull Business School, University of Hull, 2012
- Student Representative: **International Committee** Hull Business School, University of Hull, 2012
- Student Representative: **Postgraduate Research Working Group**, Graduate School, 2012 – 2014
- Student Representative: **Research Degrees Committee**, University of Hull, 2012 – 2014

- Student Representative: **Research Computing Steering Group**, University of Hull, 2012 – 2014
- Student Representative: '**Connecting Research and Teaching through Pedagogy and Curriculum Design**' steering group University of Hull, 2014
- Volunteer: **International Induction Programs**, International Office, University of Hull, 2012
- Active Alumni, Oklahoma City University (Malaysia Chapter), 1998 – present
- Active Alumni, The University of Sydney, 2004 - present
- Active Alumni, University of Hull, 2014 - present
- **Modules contributor** for **PATT** (Plant a Tree Today) Foundation, 2011 – 2014

RESEARCH INTERESTS

The primary research interest focuses on the socially responsible management of the logistics chain and transportation. This research interest encompasses ethical issues in end-users relationships in reverse logistics and green logistics, behavioral interaction in logistics chain, integrative concepts of social responsibility and sustainability. Methodology interest is using mixed-methodology in multidisciplinary/interdisciplinary research. Other research interest will be individual dynamic and team culture in logistics chain and also disaster & humanitarian, event and *Hala* logistics management.
